THE YEAR WE MADE CONTACT

THE GUARDIAN

FAIRFAX R-III HIGH SCHOOL
FAIRFAX, MO
64446

ADMINISTRATION

William G. Page,
Superintendent

When I became Superintendent of Schools at Fairfax R-III, three major objectives were envisioned. The first goal was to upgrade the curriculum and teaching staff. In the area of curriculum a computer program has been established. Presently, a course in computer literacy has been in existence for two years. Also, computers are utilized on the high school level in business and vocational agriculture. The computers are used on the elementary level as well.

A foreign language unit has been added with the possible addition of a second if the interest is there. A foreign language such as Spanish is needed to adequately prepare students for college as well as a better understanding of the English language.

Development of curriculum guides to provide continuity in subject matter areas from year to year as well as teacher to teacher were completed for the 83-84 year.

On the elementary level, the addition of remedial math has been in place for two years. From achievement test results, math was pinpointed as the lowest area of achievement and could be improved upon. Hopefully by the end of this school year math achievement should be at a high level.

Improvement of teaching does not imply that the teaching staff that I inherited was not top flight. Teacher turnover had been pretty high, and it takes a while before a teacher can do the best job possible. The past few years the teaching staff has remained pretty stable.

One other addition has helped the teaching staff. This being the revampment of the salary schedule to provide financial incentives for teachers to go back to school to improve their educational background. All teachers need to be updated on latest techniques and trends. Experience is important but so is being current on the latest trends and techniques in education.

The second major goal is the improvement of the learning environment. My feeling is that it is easier to learn in an attractive environment. Items completed in this area are; new gym mats, handicapped elevator, retiling hallways, computers, science tables, painting classrooms, copy machine, photography dark room, and new roofs. Items started but have not been completed include: the lowering of ceilings, tuck pointing and weatherproofing of the buildings.

Finally, the third major goal is a good relationship between the community and the school. Without accomplishing this goal to some degree, the achievement of other goals would be difficult to acquire. The administration along with the teaching staff and the non-certified staff have attempted to build an atmosphere of trust with the parents and the community. Even though there has not been total agreement with everything we've done, people, as a whole, feel that the school looks out for the total benefit of all the children. Hopefully, this mutual trust will continue to occur.

None of these goals has been fully obtained, but at least a beginning has been made. The young people of the district are great. Even though Fairfax R-III is a small school, it is a quality school with a quality staff. My memories of this school and the people of this district will be very fond. My hope is that I've had a small part in assisting young people to be productive citizens and, therefore, had a small part in making Fairfax a better place to live.

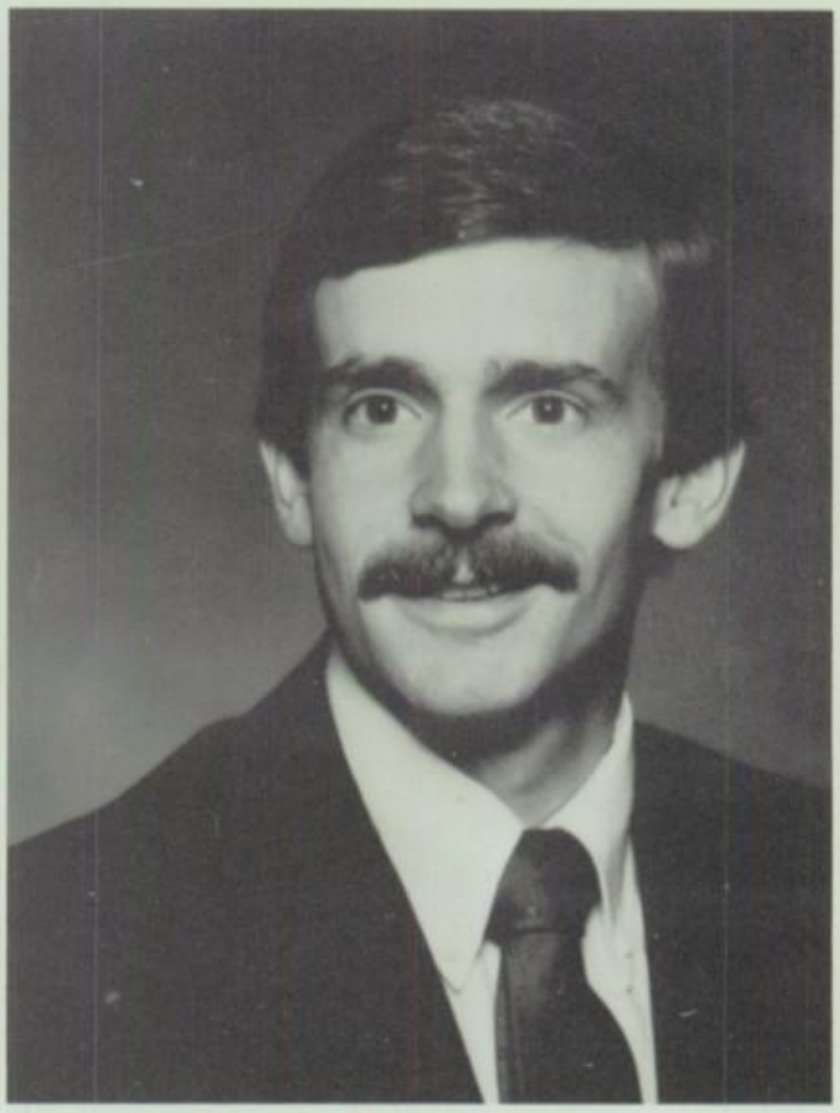
Bill Slaughter
Secretary

Graduation can be a very exciting time. It can also be a time for you, the 15 graduating seniors of Fairfax High School, to stop and reflect back upon the years you have spent preparing for graduation day. Thirteen years of hard work, dedication, rules, and regulations, and friendships quickly become blurred in the past as you look anxiously into the future of ambitions, careers, long-lasting relationships, and dreams. I hope that the education and direction that the school has given you will be of a benefit to you in fulfilling your dreams. With your parents, church, and school giving you a solid foundation to strive forward with, I believe you 15 young people can be a success with lots of hard work. Congratulations to you for achieving this goal in your life. It has been a pleasure and experience to be associated with you. Good Luck!

Mike Fisher, H.S. Principal

Mike Fisher



I would like to wish the graduating class of 1985 all the best in the future. It has been a winding road with many ups and downs that has brought you to this point in your lives. It has been a great educational experience, and it has given you the opportunity to make friendships that will last forever.

Once you graduate there will be many challenges that await you. The challenge that I feel is the greatest is the challenge to be happy in whatever you do. This is not always easy to attain but if you make this your goal, hopefully, you can achieve it in your lifetime.

Martin Sweatman, Elem. Principal

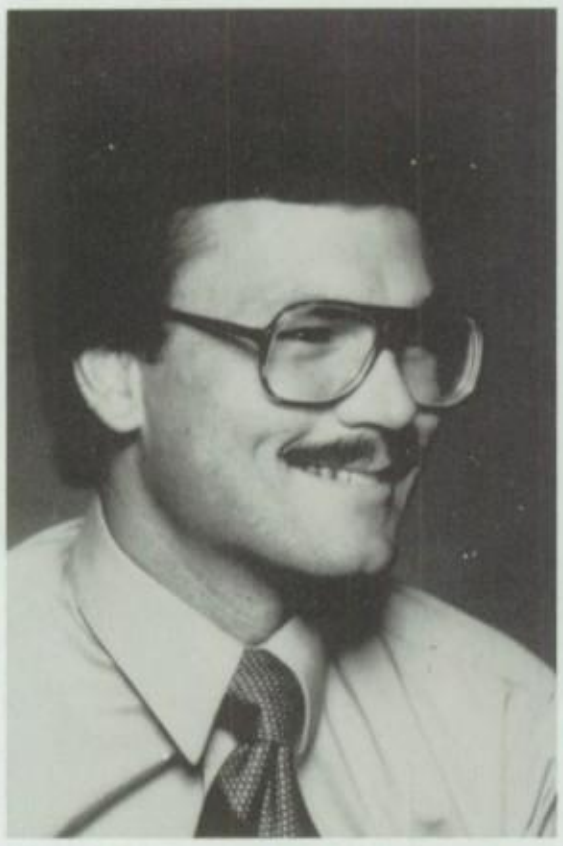
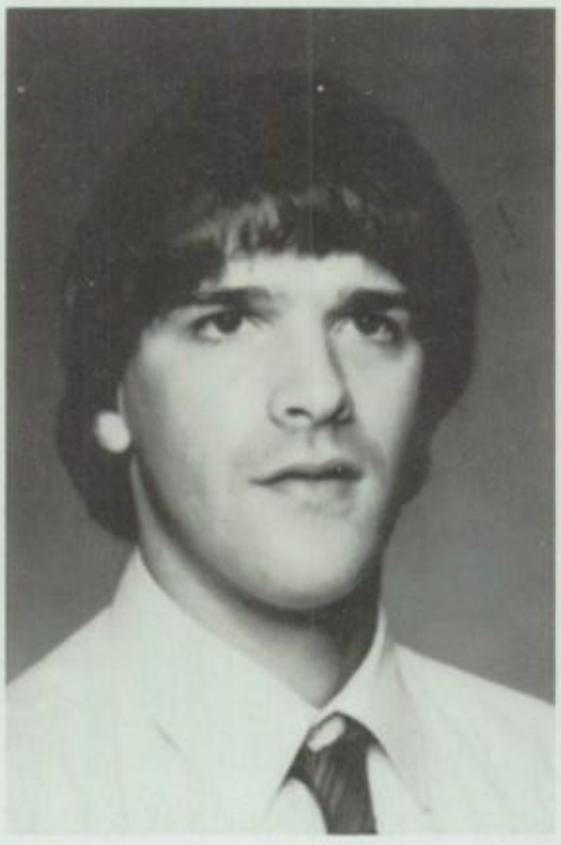
HIGH SCHOOL FACULTY



Mr. Kraig Anderson
Mr. Anderson teaches Fitness and Weight Control, Group Activities, Economics, Lifetime Activities, Jr. High Athletics, and is a sponsor of the sophomore class.



Mr. Joe Catanzareti
Mr. Catanzareti teaches 7th and 8th Grade English, Practical English, English I, and Elementary P.E. Mr. Catanzareti is also a sponsor of the 8th Grade.

Mrs. Charlotte Cleveland
Mrs. Cleveland teaches Spanish I.

Mrs. Anita Sutter
Mrs. Sutter teaches Family Relations/Child Development, Home Economics I, Family Health, Intermediate Food and Clothing, and sponsors the F.H.A. and Pep Club.

Mrs. Anita Gasper
Mrs. Gasper teaches Art I and II, and Jr. High Art.

Mr. Jim Holtz
Mr. Holtz teaches 8th Grade Science, Biology, Chemistry, Physical Science, Computers, Botony, and also sponsors the junior class.

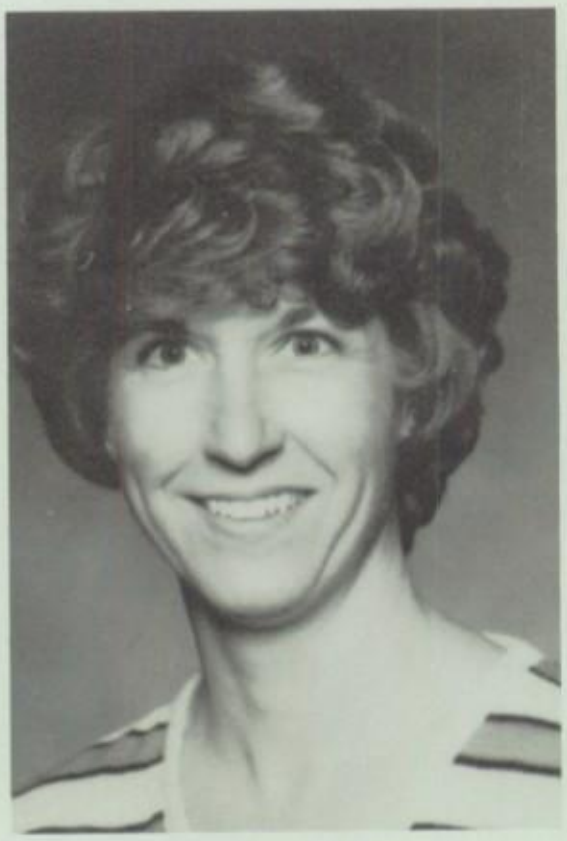
Mrs. Merylan Lowrey
Mrs. Lowrey teaches Pre-Algebra, Algebra I and II, Geometry, and Math Analysis. She also sponsors the freshmen class and the National Honor Society.

Mr. Roger Martin
Mr. Martin teaches Plant and Animal Science, Farm Management, Ag. Construction, and also sponsors the Fairfax Chapter of F.F.A.

Mrs. Lenora Miles
Mrs. Miles teaches English II, III, and IV, Mass Communication, Jr. High Speech, and coaches the Jr. High Girls Basketball Team. Mrs. Miles also sponsors the School Play, School Annual, and Jr. High Athletics.

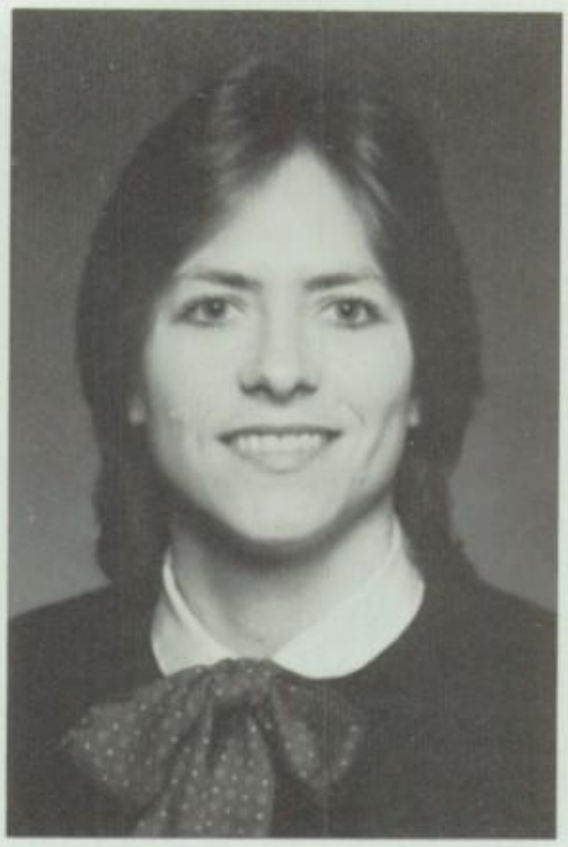
Mrs. Nancy Zeliff
Mrs. Zeliff teaches Typing I and II, Office Practice, Shorthand, General Business, and Accounting. Mrs. Zeliff sponsors the junior class as well as our new organization called F.B.L.A. (Future Business Leaders of America.)

Mr. Bob Svoboda
Mr. Svoboda directs 7th and 8th Grade Band and Chorus, High School Band and Chorus, and Elementary Music. He is also a sponsor of the Fairfax Marching Band, Pep Band, Flag Corps, and the Student Council.



Mrs. Judy Holtz
Mrs. Holtz teaches 7th Grade Science, Applied Science, serves as the Librarian, and sponsors the 7th Grade.

Mrs. Marlene Demott
Mrs. Demott coaches Elementary and Jr. High P.E., Varsity Basketball and Track, (Girls), and Jr. High Track. Mrs. Demott also serves as the Guidance Counselor, and sponsors the freshmen class.



Mrs. Phyllis Parker
Mrs. Parker teaches 7 & 8 Grade Math, Applied Math, Functional Math, sponsors the junior class, and also is the assistant coach of the Varsity Girl's Basketball team.

Miss Ann Zanon
Miss Zanon teaches 7 & 8 grade Social Studies, American History, American Government/Missouri History, Social Problems/Critical Issues, World History/World Geography, and she also sponsors the senior class.

"Been awhile, Boss?"

"Isn't it 3:00 yet?"

"Good morning, students!"

Evelyn Whitford, Sharon Hughes, Lois Harmon, and Norma Bradfield - our cooks.

HIGH SCHOOL

Robin Whittington
H.S. Secretary

Janet Watkins
School Nurse

Martha Jane Swindler
Aide

Helen Muldrew
Supt. Secretary

EMPLOYEES

Jim Holtz, J.D. Umbarger, and Roger Southard - our bus drivers.

Willis Weedin and Norman Simmons, hard at work, our janitors.

In Memory of . . .

Rhonda Baker whose life was abruptly ended in a tragic accident.

One Year To Go

January 7, 1985

It's my senior year. The last year of education I will gain in this building. I have mixed feelings about it. On one hand I'm looking forward to getting out and getting on with my life and my future. But then I stop and think about now and what's going on in my life. Everything I do this year is the last time I will have the chance to do it. Every parade, every ballgame, every concert is the last one for me. Everyday that goes by is one day less for me to be here, surrounded by friends and familiar, daily life.

I hate to stop and think what my future holds for me. I don't know where I'm going or what I'm going to do once I get out of school. I want to go to college, but what if I can't accomplish that? After graduation all my classmates will go their separate ways and carry on with their lives. Will I be prepared to do that, too, or will I wake up one day and suddenly realize that life, as I've known it, is gone, and now I must start over again? Then I will have to start making my own decisions and planning what to do in my future.

I suppose everyone looks forward to this time in their life. I know I did, but now what to do with it. I try to make everyday the best because I know I can't change it next year. For me, there are no more "next years" here, to have the chance to change things. After May 19th this part of my life will be over. I only hope I am ready to face the next part of my life and make the best of it, one day at a time.

HISTORY AND MEMORIES

On August 23, 1972, nineteen children started their first of thirteen years of school. The students in kindergarten were: Julie Abbott, J.B. Atkins, Rhonda Baker, John Brown, Kevin Clark, Roger Cleveland, Shannon Mackey, Clark Craven, Donnie Cronk, Deanna Dixon, Shelley Grimm, Shelley Jackson, Jay Kennel, Max Luttrell, Dell Roop, Joni Showalter, Olin Sparks Jr, Jason Straub, and Tim Walker. Later in the year we gained Norma Lansdown, Barbara Graham, and Vicki Scarlett. We lost Olin Sparks Jr, Norma Landsown, and Barbara Graham. Our teacher was Mrs. Frede.

Our first grade year our teacher was Miss Grace. During the year we gained Paula Castelli, Rex Griggs, Olin Sparks Jr., Martha Wallace, Todd Gorman, Ernst Owens, Chris Long, David Pendleton, and Marvina Nelson. We also lost Kevin Clark, Donnie Cronk, Shelley Grimm, Joni Showalter, Paula Castelli, Rex Griggs, and Marvina Nelson.

Mrs. Portis was our second grade teacher. The year basically stayed the same except for the loss of Olin Sparks Jr.

In third grade we really learned how to write, no more of this baby stuff printing. Miss Oliver was our teacher. New members of the class were David Murdock, and Julie Watts; however, we later lost Julie Watts along with Todd Gorman, Max Luttrell, and David Pendleton.

In fourth grade our excitement was moving across the hall into Mrs. Smith's room. Our fourth grade class consisted of Julie Abbott, J.B. Atkins, Rhonda Baker, John Brown, Roger Cleveland, Shannon Mackey, Clark Craven, Deanna Dixon, Shelley Jackson, Jay Kennel, David Murdock, Dell Roop, Jason Straub, Tim Walker, and Martha Wallace.

In fifth grade Mrs. Griffey was our teacher. We learned a lot about social studies, and we also learned our manners. During the year we gained Theresa Corzatt, Jack Gilstrap, and Angela Brittan. We later lost Angela Brittan.

We spent our last year in elementary with Mr. Jones. Our only loss of the year was Deanna Dixon. Our excitement for the year was our trip to Waubonsie State Park and being the "Bosses" of the playground.

On August 22, 1979, sixteen totally confused students entered the high school building having many teachers and changing classes every hour. Theresa Corzatt left us this year, and Rhonda Jones became our new classmate.

In eighth grade we finally got adjusted to the new environment. Our sponsor this year was Mr. Burkhalter. Our class project was a class dance in the old gym with David Murdock and Jason Straub playing records. We waltzed across the stage in style to receive our diplomas. We gained John Townsend, Trisha Townsend, and Randy Bryan. We lost J.B. Atkins.

Our freshmen year we were allowed to join F.F.A. and F.H.A., although we were still low on the totem pole. This was a year of great sorrow after the loss of a true friend and classmate Jason Matthew Straub. We gained Jeff McGinness.

As sophomores we were very busy ordering our class keys, and later in the year we ordered our class rings. But the most important item was probably getting our driver's licenses.

Working in the junior stand and decorating for the Jr.-Sr. prom made us look forward to our junior year. Our prom theme was "Always and Forever." Rhonda Baker was selected to attend Girls' State and John Brown and Roger Cleveland attended Boys' State. We lost Jeff McGinness.

We are working hard on our 1985 yearbook with the theme being "THE YEAR WE MADE CONTACT." Looking back on our busy year as seniors, we see all the special moments. Roger Cleveland and Julie Abbott were crowned football homecoming King and Queen. Basketball king and queen were Dell Roop and Michelle Cofer. Danny Perry and Julie Abbott chosen as Favorite Fellow and Chapter Sweetheart. We are eagerly awaiting our class trip to St. Louis, the Alumni Banquet, Prom, and, of course, the day we have all worked so hard to see come - Graduation Day - May 19, 1985!!

WILL AND PROPHECY

We, the Senior Class of Fairfax High School, being of sound mind and body do declare this to be our last will and testament.

Roger Cleveland wills Bob Graves his ability to make other people lose their lounge passes and the ability to mellow out at any given time or place. To Dayne Sutter he wills his ability to run out of gas on the way to school and to act sneaky and still get caught.

Martha Wallace wills Beth Walker "The Little Red Riding Hood" certificate so she won't get lost going to Grandma's house.

John Brown wills his nickname Twink to Mike Creed, Dayne Sutter, and Marty Liles.

Shelley Jackson wills Beth Walker her ability to be the boss on the bus next year.

Clark Craven wills Louis Shaw his ability to pick up girls without exposing himself. He would also like to will someone his honorary membership to the Atchison County Sheriff's Department, but everyone already has their own.

Patty Wooten wills her ability to stay calm to Julie Dearmont and her ability to get good grades to Traci Paris.

Shannon Mackey wills all her Spanish crayons and markers to Kerri Smith. "Believe me, you'll need them for Spanish. Right, Kerri?" She also wills all her "Bo Brady" magazines to Jeff Jobes. "All you need is a motorcycle and a black leather jacket."

Danny Perry wills his excellent driving ability to Charla Litherbury.

Dell Roop wills Dayne Sutter, Bob Graves, and Rick Burke the ability to stay out of trouble in Tarkio, and he also wills his ability to get along with the basketball coach to Dayne Sutter, Mike Creed, and Chris Rosenbohm.

David Murdock wills his ability to have First Class pud classes and all his scholarships to Jeff Jobes, and he wills his creative writing ability to the famous "Dudley Dan".

Randy Bryan wills his ability to grow a beard, shave it off, and grow a real one to Marty Liles, and his place in the R's to whoever thinks they can fill it.

Julie Abbott wills Angela Smith the ability to bring out a full moon when the sky is clear.

Tim Walker wills his great love for accounting to Donovan Freemyer, his size to Bob Graves — with his size and your speed you should make a great football player, and his ability to make jokes and be funny to Mike Creed.

The senior class wills **Rhonda Baker's** dependability, personality, and cooperative spirit to the entire junior class.

To the **Juniors** we will our ability to keep uninvited guests out of class parties.

To the **Sophomores** we will all our traffic tickets to our neophite drivers.

To the **Freshmen** we will our outstanding track record and participation.

To the **Faculty** we will a 20% raise.

As we wander into the faculty lounge, we see Ms. Zanon and Mrs. Trowbridge watching television. Much to their amazement, they see **Shannon Mackey,** cruise director on the **Love Boat,** welcoming the class of 1985 on their 10-year reunion.

First to come on board is **Dell Roop** carrying a Larry Bird junior model basketball. The first thing he asks is, "Do you have eight foot baskets to practice dunking on?"

Behind him we see **Julie Abbott,** whom no one has seen for years. She is still going "round and round".

In the distance we see a black limousine arriving at the dock. We wonder who it is. Could it be? Is it possible? It is **John Brown.** We find that he is now president of his own company, "Twinkie Ice Cream, Inc.".

Around the corner is **Randy Bryan.** As he greets his classmates, they find that he is still in awe over the fact that he is still playing football at Missouri Valley College hoping to letter this year.

Roger Cleveland arrives with a massive amount of books in his arms. What has happened to Roger? Has he turned into a scholar? No, they are personally signed autographed books that Roger has written. He won the Nobel Prize for finding out what life is all about. "He always was so philosophical," says Ms. Zanon.

The next person we see is **Shelley Jackson,** the lead-writer for Harlequin Romance. She finally changed the rating of "M.I.A." to P.G. instead of R. so Mr. Catanzareti's English Class could read it.

As advertised, there is to be a live rock band on board for the entertainment. We don't believe it. It is! **Jay Kennel** is still a bachelor and plays lead guitar for "Frankie Goes To Hollywood". Whatever happened to "Sabre"?

Now in walks their class president, **David Murdock.** He is now holding down two jobs. He owns his own Ford Maverick corporation in Fairfax and also has taken over Wes Kennel's job at the factory.

It looks like the Honeymoon Suite is reserved for **Patty Wooten.** Oh, excuse me I mean Patty Clark. We see her diploma has finally been changed after the fifteenth time. She is finally married after saying, "Yes, no, yes, no".

Boarding now with a Hitler moustache, could it be, it is **Danny Perry.** He is the new Neo-Nazi leader of the Army. Rumor has it that he is busy plotting the take over of the United States.

And by the way, did you know that Norman Simmons and Willis Weedin have retired from the school? And guess who took their place? It is our own **Martha Wallace.** With Martha at hand, Thank God we can be rest assured that the fence will finally get put up.

The boat is about to pull up the anchor, and we see a forlorned look come across our cruise director's face. And guess who jumps on board at the last second? None other than the one and only, "Bo Brady". Our cruise director's dream come true.

But wait! Where are **Clark Craven** and **Tim Walker?** The show is about over, and they are not on board. The reunion has gone well, but everyone is still looking for Clark and Tim. A telegram comes in from them saying they are sorry that they could not be with us.

Clark is still at Hoot Owl Bend waiting for the next party, and Tim has taken over Richard Sperber's job as game warden and is waiting for Clark at Hoot Owl Bend.

That is the end of this **Love Boat** cruise. Hope you enjoyed your evening with our crew of 1985.

Tarkio, Mo.

VARSITY CHEERLEADERS

Shannon Mackey
Senior

In June of 1984 Shannon Mackey, Michelle Cofer, Kristen Gilliam, Sandi Cottle, and Sherri Perkins, junior varsity cheerleader, attended the annual cheerleading clinic at Maryville for four days and three nights. Besides having a lot of fun, they worked hard to earn two excellent ribbons, two outstanding ribbons and two extra Super Star ribbons for completing certain activities. At this clinic the cheerleaders learned new chants, cheers, routines, and jumps. They were then taught to the rest of the cheerleaders during summer practices. They also had a car wash, sold tickets on a donated green and white afghan and performed at the 1984 Fairfax Fair. Besides cheering the teams on to victory throughout the year, the cheerleaders performed routines at the Fairfax Invitational Tournament, Football Homecoming, and Basketball Homecoming.

"Finders Creepers"

Take Dr. Jekyll to police headquarters.

Well, Mary, you'd better nail down the furniture.

Don't speak in such a vulgar tone, Harry.

Hi! Where is he?

Dress rehearsal for the senior citizens was fun.

The Fairfax R-III High School cast presented "Finders Creepers" on April 13, 1985.

Believe it or not, it was a woman in every case.

Your bed? YOUR bed?

It all started when I was 2 years old –

Then you'd better start thinkin'.

He was the only person in the world I had.

I ain't never stayed in places like this.

I'd rather see Bugs Bunny.

Golly, Wilbur, I never dreamed you'd be so handsome.

What'cha doin', Daphne?

GEBHARD'S WELDING AND WRECKING SERVICE Tarkio, MO

ACADEMIC BANQUET

Students were honored on March 19 at an Academic Awards Banquet.
